FALL/WINTER 2024, SESSION #10

***** MESSAGE FROM THE OPERATOR (SPIKE) *****

21 December 2024, By Spike Lewis, re: Friday Nights FMP, Center Pocket, 7ft. Tables

(Newest notes highlighted in red or purple)

GENERAL NOTES (Session #10):

- I want to wish each and every one of you a happy holiday period. Enjoy the holiday with family and friends! And then, because you have extra free time on your hands, come with us to play pool on the 27th, which will be a regular Friday play day/night.
- Captains: I **STILL** see a lot of mistakes with filling out the money packet. **In some cases, money amounts are not filled in properly and initialed, and in other cases, they are not filled out altogether.** This makes it extremely difficult for the league operator to capture data correctly and accurately. YOU ALL ARE FORWARDED, loss of admin points will begin to occur for lack of action on your part! DON'T LOSE ADMIN POINTS BECAUSE OF REPEATED MONEY DISCREPANCIES!
- If a new team or two comes in to play with us over the next few weeks, we will let them in. However, the proviso is that they will come in lower or equal to the last place team!
- And just to give you a feel for your accomplishment from expanding the team count by two teams, I present to you what the payouts will be for this session if no teams drop out. And as an incentive for YOU to work hard, as well, to get two more teams into the mix, for a total of ten, I show what the payouts will be for [10 teams] in our Friday Night Division at Center Pocket. And so you know, there is a new team that wants to come in right now, but I've asked them to wait until next session. We are already up to 9 teams; we only need one more to make 10! THIS IS BIG!**
